

# THE PLAYER EVALUATION APP

## Tap. Track. Share.

"TeamGenius has been a key tool for the success of our organization's programs. The system has given us the ability to grade a larger number of athletes **faster** and with more **accuracy**, allowing us to place them at the right skill level team or program. This process is very important for the athlete's **overall improvement and retention within our organization**"

**Rodrigo Gomes**  
President & CEO, Northern  
Virginia Volleyball Club

## Why use evaluation software?

- Take back your evenings & weekends spent entering data from paper evaluation sheets into a computer.
- Increase speed, transparency and accuracy during (and after) tryouts, camps, and showcases.
- It's not just for tryouts. Elevate your organization by sharing feedback reports and tracking development throughout the year.
